Part 2

Describe an experience someone taught you a new/an important skill when you were a child.

You should say:

Who the person was

What he/she taught you

Whether it was easy or difficult

And explain how you felt about learning it.

Part 3

Have you ever taught others anything?

What are the differences between teachers and parents to teach a skill?

What are the differences between learning something by yourself and learning from others?

What skills should children learn before going to school? / do you think it's important for children to learn something before going to school?

What do you think if learning skills from the internet?

Sport

Part 2

Describe a sport you want to learn in the future/try for the first time.

You should say:

What sport it is

How you would learn it

Whether it is easy or difficult

And explain why you would like to learn it.

Part 3

Do you like doing sports?

Do teens like doing sports in your country?

Is doing sports beneficial?

Can you keep fit by doing sports?

What are the popular sports in China?

Risk

Part 2

Describe a time when you took a risk which you thought was bad at first but succeeded in the end/a risk you had taken which had a positive result.

You should say:

When it happened

What risk you took

How you managed to succeed

And explain how you felt about it.

Part 3

What risks do parents usually tell their children to avoid?

Do you think some risky activities in books are misleading for kids?

How can people avoid dangers when doing extreme sports?

Do you think people of different genders/ages make different choices of risk-taking? Why do old people take fewer risks than young people?

Why do people like watching risky activities in action movies?

Do you think it's a good thing that a leader likes taking risks?

Mistake

Describe a time when you learned /gained experience from a mistake.

You should say:

When this happened

What mistake you made

Why you made the mistake

And explain what you learned from the mistake.
